Dewan Bahadur R. Raghunatha Rao was sanctd, the cost of acquisition there of viz Rs 3397-12-0 being debited to Mur: funds.

2 The Mur: Supdt reports that the President of the Bangalore city municipality has sent up a bill for Rs 3397-12-0 and that Comptr asks him whether this amt has to be debited to the State grant — or to the accumulated savings of any institution. He further says that it cannot be a proper charge on the funds of any institution. & that it is for Govt to decide if it can be legitimately charged to the State grant.

11 It is noted that the State grant of 09-10 has been exhausted, & it is doubtful whether the State grant of 10-11 might be able to bear this charge.
